
PROJECT BUYER (M/F/D)

Kalsdorf bei Graz | **Full-time employee** | **05.10.2026** | **Purchasing, Materials Management & Logistics**

With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.

Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.

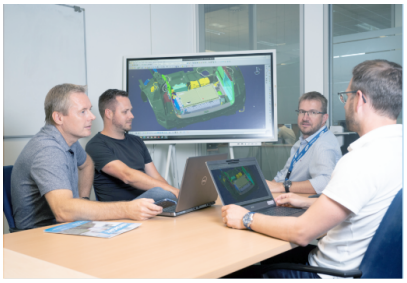
The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.

Your core responsibilities are:

- Leading supplier coordination in projects and evaluation of offers with commercial analysis (Cost-Break-Downs, Cost Analysis Tools)
- Leading the Sourcing Process within projects and supplier nomination on global and regional level
- Negotiate and conclude nomination contracts with suppliers
- Follow the supplier qualification process through supporting relevant SQE Teams
- Follow the Change Management process through with suppliers
- Monitor Supplier Score-cards and perform supplier evaluations based on their performance
- Perform and provide internal cost calculations in projects
- Work as part of Component Core Team within projects together with other relevant departments and project team members

Modern work environment in an European technology center for battery development and testing

>more about facility



Have a say and think differently. In a team that lives the future.

>more about working with us

Let’s be social: This is where we can connect:

- Close cooperation on global level with all stakeholders to monitor the supplier performance in the running projects (Supplier-Relationship-Management)
- Cooperate with logistics team on components availability process and lead needed actions if necessary

What you need is:

- Completed technical or commercial education
- 5+ years of experience in project purchasing or related area
- Basic knowledge in commercial and contract law
- Very good negotiations skills
- Proactive and flexible personality with good analytical skills and stress resistance
- basic knowledge and understanding of the related production processes and very good cost awareness
- Good knowledge of MS Office and SAP usage
- Very good communication skills in English, German is an advantage
- Readiness for business trips (20%)

Our offer for you:

With regard to the Austrian Equal Treatment Act, we offer the following annual gross remuneration (full time/38.5 hours) as a basis for negotiations for this position: EUR 66.500,-

We also offer a market-standard overpayment depending on relevant work experience and qualifications.
