

LEADING POSITION SOFTWARE (M/F/D)

 **Kalsdorf bei
Graz**

 **Full-time
employee**

 **24.02.2025**

 **Engineering &
Technical**

With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.

Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.

The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.

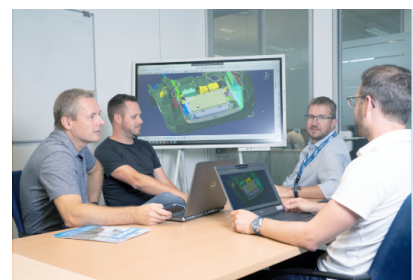

Your core responsibilities are:

- Manage a team of software development engineers in automotive environment under consideration of industry relevant processes and standards (e.g. A-SPICE, IATF 16949, ISO 26262, etc.)
- Drive the strategic direction of our products & services considering emerging and legacy technologies
- Active engagement in negotiation of project scope and timing (FIP) during acquisition phase
- Ensure innovation in SW development process striving for efficiency (process, methods, tools, certifications)
- Ensure innovation in SW functionality to increase battery safety, performance and life

Modern work environment in an European technology center for battery development and testing

[>more about facility](#)

Have a say and think differently. In a team that lives the future.

[>more about working with us](#)

Let's be social: This is where we can connect:

- Develop and align optimized SW qualification methods and processes with Verification/Validation team

What you need is:

- Completed technical education
- Experience of leading a more than 30 head count team of SW development engineers
- Experience in SW project management in automotive environment
- Knowledge about automotive software development environment / tools
- Leading by example, integrity, transparency & accountability
- Innovation and cost-driven mindset
- Seeing the future with strategic thinking
- Very good English and German language skills

Our offer for you:

With regard to the Austrian Equal Treatment Act, we offer the following annual gross remuneration (All-in) as a basis for negotiations for this position: EUR 98.000.--

We also offer a market-standard overpayment depending on relevant work experience and qualifications.
