

WORKING STUDENT PURCHASING (M/F/D)

**Kalsdorf bei
Graz**

**Student
intern**

12.08.2026

**Purchasing, Materials
Management & Logistics**

With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.

Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.

The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.

Your Mission

As a **Working Student in Purchasing**, you will gain valuable hands-on experience in an international automotive environment and get an insight into modern purchasing and supplier management.

- **Support our Purchasing team** in day-to-day activities with a focus on supplier management
- **Communicate with internal stakeholders and suppliers** – both nationally and internationally – via calls and video meetings
- **Create reports and maintain supply chain databases**
- **Support purchasing operations** and contribute to various departmental projects and tasks

Modern work environment in an European technology center for battery development and testing

>more about facility

Have a say and think differently. In a team that lives the future.

>more about working with us

Let's be social: This is where we can connect:

- Get the opportunity to **learn how purchasing processes work in a global e-mobility company** and develop your professional skills

Your Expertise

- **Currently enrolled in a university or university of applied sciences**, preferably studying Business Administration, Industrial Management, Supply Chain Management, or a comparable field
- **Commercial education** (e.g. HAK / Business Academy or equivalent) is an advantage
- **Structured, analytical and solution-oriented** way of working
- Good knowledge of **Microsoft Excel** and an interest in working with databases
- **SAP experience** is an advantage
- **Very good German and English skills**, both written and spoken
- You are a **reliable team player** who enjoys working in an international environment and communicating with different stakeholders

Why Join Us?

Start your career where innovation meets real-world impact. As a Working Student in Purchasing, you won't just gain theoretical knowledge; you'll put your skills into practice in the fast-moving world of e-mobility. You will work closely with experienced colleagues, gain insights into supplier management, and build valuable experience for your future career.

We understand the demands of university life, which is why we offer flexible working hours tailored to your lecture schedule and exam phases.

If you are looking for a role where you can learn, contribute, and grow alongside an international team, we'd love to hear from you!

The annual gross salary (full time/38.5 hour) for this position starts at EUR 37.780,-. Depending on your qualifications and professional experience, we offer a competitive overpayment in line with the market.
