

STRATEGIC BUYER (M/F/D)

 **Kalsdorf bei
Graz**

 **Full-time
employee**

 **03.02.2026**

 **Purchasing, Materials
Management & Logistics**

With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.

Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.

The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.

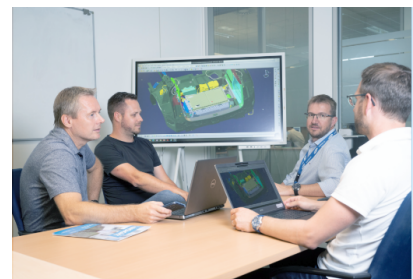

Your core responsibilities are:

- As a Strategic Buyer, you will continuously monitor supplier markets, identify trends and risks at an early stage, and provide deep expertise on cost structures and processes of your assigned components.
- You will be accountable to develop a strong and competitive supply base for the assigned components in alignment with global SCM strategy and close cooperation with internal stakeholders.
- You will supervise the supplier onboarding process from first contact up to supplier release and will establish strong partnerships with strategic supplier.
- As part of interdisciplinary expert teams, you will help to shape the future of e-mobility and play a key role in securing our company's long-term goals.
- The motivated and committed team and the agile organizational

Modern work environment in an European technology center for battery development and testing
