

# DEVELOPMENT QUALITY ENGINEER (M/F/D)

 **Kalsdorf bei Graz**

 **Full-time employee**

**23.07.2025**

**Engineering & Technical**

**With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.**

**Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.**

**The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.**

## **Your core responsibilities are:**

- Plan, coordinate and check Quality activities during product development phase
- Ensure that market and customer quality requirements are met
- Ensure preventive quality measures during product development phase
- Perform Design FMEA moderation and documentation
- Responsible for monitoring of problem resolution process in the program
- Coordination of customers complaints during project development phase
- Contact point of the customer for quality topics

Modern work environment in an European technology center for battery development and testing

**>more about facility**

Have a say and think differently. In a team that lives the future.

**>more about working with us**

Let's be social: This is where we can connect:

- Tracking, and reporting of quality risks/issues
- Preparing of PPAP documents

### What you need is:

- Completed technical education and/or related studies
- Experience in automotive quality management, product development- and manufacturing quality
- Quality methods experienced (FMEA, MSA, SPC, Control Plan, PDCA, 8D, SC/CC ...)
- Working experience with FMEA (moderation, documentation) and in product development environment
- Systematic and process-oriented approach, great initiative and sense of responsibility
- Working knowledge of Microsoft Office (Excel, Word, PowerPoint,) & Minitab or Statistical tools
- Fluency in English for both verbal and written communication (German skills are considered an advantage)
- Willingness to travel (approx. 10% of working time)

### Our offer for you:

With regard to the Austrian Equal Treatment Act, we offer the following annual gross remuneration (full time/38.5 hours) as a basis for negotiations for this position: EUR 47.600.--

We also offer a market-standard overpayment depending on relevant work experience and qualifications.

### Our Benefits for you:

Our most important resource? Our employees. We honor this with a multitude of benefits.
