

PROJECT BUYER (M/F/D)

**Kalsdorf bei
Graz**

**Full-time
employee**

04.06.2025

**Purchasing, Materials
Management & Logistics**

With the passion of our people, we contribute to a sustainable future by creating innovative products in e-mobility for our customers.

Samsung SDI Battery Systems is a global technology leader in e-mobility. Together with our customers in the automotive industry, we develop, test and industrialize innovative Lithium-Ion Battery packs for hybrid and electric vehicles.

The technology center of Samsung SDI Battery Systems is located in Kalsdorf, Austria, close to Graz.

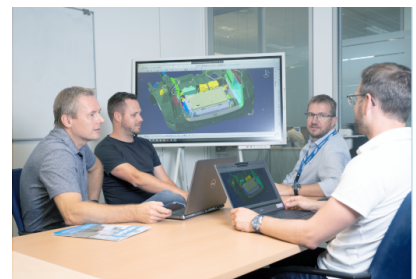

Your core responsibilities are:

- Leading supplier coordination in projects and evaluation of offers with commercial analysis (Cost-Break-Downs, Cost Analysis Tools)
- Leading the Sourcing Process within projects together with presentations and nomination proposals on global and regional level
- Follow the supplier qualification process through supporting relevant SQE Teams
- Monitor Supplier Score-cards and perform supplier evaluations based on their performance
- Negotiate and conclude nomination contracts with suppliers
- Perform and provide cost calculations in projects
- Work as part of Project Core Team within projects together with other relevant departments and project team members

Modern work environment in an European technology center for battery development and testing

>more about facility

Have a say and think differently. In a team that lives the future.

>more about working with us

Let's be social: This is where we can connect:

- Close cooperation with the strategic purchasing team to monitor the supplier performance in the running projects (Supplier-Relationship-Management)
- Cooperate with project logistics on components availability process and lead needed actions if necessary
- Working closely with purchasing members of other Samsung SDI plants and support with leading tasks if necessary

What you need is:

- Completed technical or commercial education
- Several years of experience in project purchasing or related area
- Basic knowledge in commercial and contract law
- Very good negotiations skills
- Proactive and flexible personality with good analytical skills and stress resistance
- basic knowledge and understanding of the related production processes and very good cost awareness
- Good knowledge of MS Office and SAP usage
- Very good communication skills in English
- Readiness for business trips (20%)

Our offer for you:

With regard to the Austrian Equal Treatment Act, we offer the following annual gross remuneration (38.5 hours) as a basis for negotiations for this position: EUR 47.600,-

We also offer a market-standard overpayment depending on relevant work experience and qualifications.

Our Benefits for you:

Our most important resource? Our employees. We honor this with a multitude of benefits.
